Glove for all jobs that require maximum dexterity. Worksafe P31 - 104 is a polyester glove in 13 gauge. The PU coating gives a better grip and also makes it water-repellent. The glove is completely seamless, nothing in the gloves rubs or irritates.

Suitable for: Assembly, inspection, packing and warehouse work.

- Good fit and dexterity
- Excellent dry grip
- Seamless and elastic
- Durable

Size: 7-11

Liner: 100% Polyester

Coating: PU/Polyurethane

The product meets the requirements for CE marking.

Cat II
