Product Description:

OX-ON Banded Earplugs Comfort is an affordable, lightweight banded earplug for you, who are periodically exposed to noise when you work professionally or at home. This banded earplug can be put on and taken off quickly, and the replaceable PU earplugs give you great comfort and seal tightly at the ear canal opening. The band is placed under the chin or around the neck where it does not bother you and therefore it feels light and flexible to wear.

This banded earplug has an extraordinary high attenuation value compared to other banded earplugs in the market.

OX-ON Banded Earplugs Comfort has a attenuation value (SNR value) of 30 dB.

High frequency: 32 dB

Medium frequency: 26 dB

Low frequency: 24 dB

OX-ON Banded Earplugs Comfort makes it easy and comfortable for you to protect your hearing when you are exposed to noise, and you can easily buy loose replacement pods for the model.
